

Onboarding Checklist

Pre-launch

Provide your Eligible Member List.

- As per the instruction provided our Implementation Team

Review the Employer Sponsor Toolkit.

- Review the promotional material available for your team

Select your virtual care ambassador(s).

- Select ambassadors that will act as virtual care promoters and resource people for your employees

Tip: Choose members who understand the merits and functionality of the product and are excited about effectively communicating these benefits while acting as the central resource for help and information internally.

Inform your employees about the program.

- Send the 'coming soon email' to your employees
- Make information, including any handouts, available to employees via your HR portal, etc.

Ensure your IT team whitelists the domains IP addresses located on the following page.

Launch

Raise awareness.

- Upload digital assets to internal digital communication portals
- Print and hang posters on employee communication boards and in high traffic areas
- Send the 'engagement email' – the service is now launched!

Post-launch

Continue to raise awareness throughout your organization.

- Supplement activation emails with newsletters (latest newsletter and email template will be available to download on the toolkit page)
- Refresh digital assets and available posters

For continued engagement strategies, contact clients@vc.telushealth.com.

IP addresses and domains whitelisting

- help@vc.telushealth.com
- Virtualhealthcare@telus.com
