{Company A} has invited you to TELUS Health Virtual Care

Activate your account with Virtual Care to access 24/7 medical care and assistance, whenever you need it, from anywhere in Canada.

If you've previously created an account with Virtual Care, we can connect it to your new coverage and keep your consultation history.

[Activate my account](#)

Virtual Care offers you confidential clinical consultations for medical advice, prescriptions, referrals to specialists, and even lab or imaging requests.

If you need help activating your account, contact us by email at help@vc.telushealth.com.

Take care,
TELUS Health Virtual Care
